

THE CITY BEYOND FOREVER

A Star Trek fan novel by David Moss

Format: Free fan novel (EPUB and PDF)

Inspired by: The City on the Edge of Forever

LOGLINE

Edith Keeler lives. The Federation holds. And Kirk pays for it by vanishing from history.

SYNOPSIS

Inspired by The City on the Edge of Forever, and unwilling to take the easy way out of it, the novel explores alternate timelines, memory, identity, sacrifice, and the lives erased whenever history is restored.

THEMES

Alternate timelines; memory and identity; sacrifice; the lives erased when history is restored.

AUTHOR

David Moss writes science fiction about the moment knowledge stops being a comfort. A novelist, radio broadcaster, and entrepreneur based in Fort Lauderdale, Florida, he is the author of two complete free fan novels, The City Beyond Forever and The Forbidden Planet. His debut original novel, The Bootstrap Paradox, and The Final Detente share the same MINERVA universe.

Unofficial, noncommercial work of fan fiction. Star Trek and all related marks are the property of their respective owners. Offered free at davidmossauthor.com.
